So, that was 2014. The year when England once again underperformed at the World Cup, the year when loads of celebrities learned that 'the cloud' isn't that great a place to store personal pictures, when Ebola hit Africa and Russia hit Ukraine. But it wasn't all doom and gloom – it was also the year when *Club* continued to kick arse in the 'discovering girls and taking red hot photos of them' business. Our new year's resolution? Continue to kick arse in the 'discovering girls and and taking red hot photos of them' business. It's what we do...

YULE WINNER!

Dear Club,
Dani and Lexi were the perfect Christmas present from *Club*. Well, nearly perfect. If the two of them had been under my tree on Christmas morning that might have been better. I'm a big fan of both girls, and have been waiting for Dani to join Lexi in the world of porn films. Do you know if that's something she might do?
Jeff, Middleton

Yep, we'd rather suck on the breasts of Lexi and Dani than the dried-out breast of a crimbo turkey any day. We don't think Dani will be doing any porn films, Jeff, although if you know where to look on the old interwebs she does get very, very rude with her partner…

Dear Club,
I have always been a bit of a fitness freak and got into competitive cycling about five years ago. But before you start yawning and chuck this letter in the bin, let me add that I'm a 26-year-old blonde who loves sex! All that working out down the gym and road-cycling has given me a slim athletic figure that most women would be proud of, and it has proven very helpful in terms of getting men as well.

Okay, my tits aren't exactly enormous, but guys rarely complain when they realise I can bend into all sorts of positions – including putting my feet behind my head to allow a bloke the chance to go deeper inside my pussy than he would ever have thought possible. Anyway, the reason for me writing is because I have had loads of great fucks with men, but have never had sex with another woman. Although I've wanked many times over the babes in magazines such as yours, I've never had the opportunity to put my desire for some lezzie action into practice. Well, until last Saturday, that is.

Most weekends in the summer, my cycling club compete in races around the country. This particular weekend, we'd arrived in Newcastle for a county race and I'd travelled up on the train with a couple of the guys and Teresa, the only other woman in our team.

Now, Teresa was most definitely a looker, with her super flat stomach, legs that went on forever and a gorgeous pert arse. I'd been smitten with her from the minute she'd joined our group, but I'd contented myself with a series of lovely slow wanks while imagining my mouth delving between those luscious tanned thighs.

I came 14th on the day, while Teresa came 12th and we consoled each other as we stripped off for a shower afterwards, her tight Lycra cycling shorts leaving a cute red mark around her thighs like stay-up stockings. She had a shaven pussy and, as I'd always left mine with a neatly trimmed thatch, I asked her why she did it as we climbed beneath the warm spray. "It makes my pussy a lot more sensitive to the touch," she said, letting the water cascade over her shapely boobs, "and my lovers always seem to like it. Feel how smooth it is."

Teresa suddenly grabbed my hand and guided it onto the glistening wet mound of her smooth pussy. A tingle ran straight through me as my index finger rested along the opening to her slit and, without thinking of the consequences, I leant forward and kissed her full on the lips. Teresa didn't flinch a bit, but instead melted against my body, her rock hard nipples pressing into my chest as our tongues entwined in a frenzy of lust. Her hand snaked down my stomach and a finger eased inside the folds of my twat, working its way upwards as her thumb began to swirl around my clit.

My legs were buckling as she slid another finger inside me and lowered her head to take one of my nipples into her mouth. Finally, I realised what I'd been missing having never made love to a woman. She knew exactly which buttons to press and, more importantly, how hard to press them. But it was time I put a few more of my fantasies into practice, so I knelt on the soaking shower floor, gripped those amazing, firm buttocks and licked from her knee up, until my mouth was an inch from her cunt.

She leant back against the wall and parted her legs, allowing me easy access to her hairless hole. Her pussy lips opened slightly and I helped them along with my fingers, stretching her gash wide apart in front of my face before running the tip of my tongue up and down just inside her twitching slit. Teresa tasted fantastic and I pushed further in, my lips encompassing her mound as I buried my tongue deep within.

As I squeezed her buttocks, I worked my fingers into the crack of her arse, feeling for her tiny bumhole, which, with the soap lather, became another point of entry into Teresa's lovely body. She began to moan with pleasure as I worked on her clit and tickled her bumhole at the same time. I knew she was close to cumming as her legs and arse started to twitch and shake involuntarily, so I slid my finger completely up her rear and slowly wriggled it around in the confined tunnel. Then, with a yelp, Teresa jammed her pussy against my face and a river of thick, sweet pussy juice poured into my mouth as I eagerly gulped the lot down my throat.

After her climax subsided, Teresa pulled me to my feet and snogged me passionately beneath the still running shower. I desperately wanted release and she knew it, so she led me out of the shower and into an adjacent lavatory cubicle. "Bend over the toilet, darling," she commanded and I did as I was told, two of her fingers entering my sodden cunt before I'd even rested my elbows on the cistern in front of me. I sighed with joy as she expertly began to pump inside me, her face pushing between my bum cheeks as she did so. The tip of her tongue eased inside my arsehole and another finger entered my slit, stretching it wider than any cock I'd ever had, as she slid her other hand up to my breast and tweaked my nipple hard. I lasted about a minute before my own orgasm tore through my aching pussy and I collapsed in a heap on the toilet seat.

After getting dressed, Teresa and I returned to our hotel and she spent the evening and most of the night teaching me the pleasures of lesbian love – and boy, did I have a lot to learn that night!

WORK, REST & SPRAY!

Dear Club,
I'll be very honest with you, the latest *Club* is the first porn mag I've bought in over ten years. I used to use the work laptop for my wanks on business trips, but after they recently put a filter on it I picked up your mag at Gatwick on the way out. It more than did the trick, it took me down memory lane and reminded me of what I've been missing. I think I'll be buying a few more!
Neil, Middlesbrough

Welcome back to the fold, Neil. Yep, the web, tablets and laptops have all come along to try and snatch our crown, but we're still standing strong. And we've got some delightful girls lined up for 2015!

Barnstormer…

What better way for British glamour babe to make her *Club* debut than with a classic throwback setting? Yup, it's been a while since we had a roll in the hay with a model, and to be honest this takes us back to the halcyon days of *Razzle* romps and *Escort* pile-ups. Only there's just the one girl. Well, we are the classier alternative...

"Good job I'm not allergic," laughs Holly. "Although it does smell a little bit 'rural' in here, shall we say."

We hope that doesn't spoil the mood.

"Oh no. I've never been on a farm before, but I can see the appeal. This would be the perfect place to sneak away for a quickie. Or to keep a bunch of zombies locked up. Your choice..."

Er, we'll go for the former... ♣

January. Miserable? Depressing? Shit? Not if you're a sports fan, says Matt Loxham. Or even a darts fan...

BDO World Darts Championships

Frimley Green – January 3rd to 11th

Some people go on a bit of a downer when the festive season comes to a close, but for hardcore darts aficionados the last champagne cork popping on New Year's Eve only signals more fun to come. So the bigger and more popular Professional Darts Council (PDC) might have most of the money, the more successful circuit events, and as a result attract many of the better players. However, for all the talent and razzle-dazzle on display at their huge Alexandra Palace based World Championships in December they'll never match the earthy environs and musk-laden atmosphere of the time-capsule that is the British Darts Organisation's (BDO) big bash at the Lakeside Country Club in Frimley Green, a living museum for all things oche action.

Jocky Wilson and Eric Bristow enjoyed their heydays here surrounded by flock wallpaper, cream drapes and empty pint pots, the BBC broadcasting the action through a fuggy, smoke-filled atmosphere; legendary commentator Sid Waddell spouting random bollocks occasionally bordering on genius. Admittedly, the BDO flagship has struggled to keep pace with the very progressive PDC event, but in terms of historical significance there's no competition. For fans of the game the Lakeside is still the 'Mecca of darts'.

As always the 2015 running of the World Championships has been impacted upon by the PDC talent drain. Reigning champion Stephen Bunting is currently making a name for himself on the rival circuit, following in the footsteps of other recent Lakeside champions such as Christian Kist, Ted Hankey, Mark Webster and Raymond Van Barneveld.

Last year's beaten finalist Alan Norris, however, remains to have another tilt at the BDO crown, along with loyal Lakeside luminaries including 2013 winner Scott Waites, triple champion Martin Adams, and three time beaten finalist Tony O'Shea. The presence of Dutch duo Jan Dekker and Wesley Harms, both double semi-finalists over recent years, World Masters winner-cum-binman by day Martin Phillips, and Robbie Green, who fell to champ Bunting in the last four in 2014, means the tournament hardly lacks strength in depth. The £300,000 winner's purse ensures it's always taken seriously. If only the BDO could hang on to their talent, imagine what a darting contest this could be...

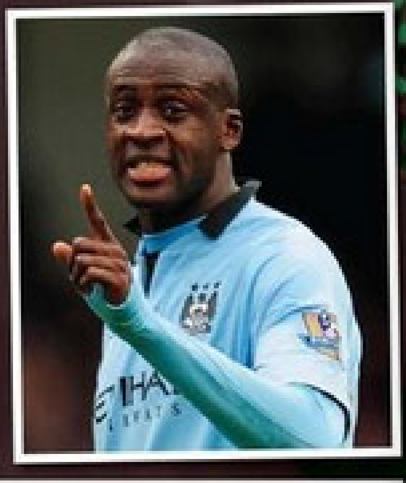
Africa Cup of Nations

Equatorial Guinea – 17th January to 8th February

The 2015 Africa Cup of Nations has been making headlines already before a ball has even been kicked. Morocco were originally slated for hosting duties, but after they requested a postponement of the tournament in the light of the Ebola outbreak, the north African country was stripped of the role, handed a whopping fine and booted out of the competition for good measure. Further punishments are apparently in the pipeline.

Equatorial Guinea stepped in to fill the gap, although they themselves had earlier been given the heave-ho for fielding an ineligible player in qualification. As hosts they will now play at the tournament. It's a controversial scenario that might not immediately seem fair, but there are other factors to consider here.

The Confederation of African Football (CAF) were desperate for the Cup of Nations to go ahead in January at all costs to protect the integrity and credibility of the biennial gathering. Players across Europe, in particular France, might not have been made available by their clubs later in the season, therefore weakening the competition. To add to the CAF's anxieties, countries with the infrastructure such as Angola, Ghana and Nigeria were unwilling to deputise, thus making Equatorial Guinea's offer (who themselves co-hosted with Gabon in 2012) especially appealing, despite the fact that many of their stadiums are going to be a ruddy nightmare for fans to get to.



With things patched-up off the pitch, it's hoped that activity on the pitch will gloss over the turmoil. Ultimately, sixteen teams split into four groups will compete to be champions of Africa, and the big names won't have it all their own way. In 2013, for instance, hosts South Africa were knocked out by Mali in the quarter-finals, before Burkina Faso put pay to Ghana's hopes in the semis. Reigning champions Nigeria haven't even qualified for Equatorial Guinea. Another fascinating aspect of the competition is seeing how those players who have successfully established themselves in Europe cope with the expectation.

Ivory Coast, boasting a squad including Yaya Toure, Kolo Toure, Gervinho and Wilfried Bony, are relative underachievers in the tournament, losing to Zambia in the final in 2012 and to eventual winners Nigeria last time in the quarter-finals. Indeed, the Elephants haven't won the Africa Cup of Nations since 1992, but despite this they'll be amongst the favourites as always.

Ghana, managed by former Spurs and Chelsea man Avram Grant, have former Sunderland man Asamoah Gyan and Everton's Christian Atsu, and amongst Senegal's number are Premier League regulars Papiss Cisse (Newcastle), Mohamed Diame (Hull City), Mame Biram Diouf (Stoke City), Sadio Mane (Southampton) and talented West Ham pairing Diafra Sakho and Cheikhou Kouyate. Crystal Palace winger Yannick Bolasie should star for DR Congo, but Spurs' Emmanuel Adebayor misses out with Togo. The Africa Cup of Nations might have experienced its fair share of unforeseen issues in the build-up, but once the action begins expect plenty of the good kind of unpredictability.

Australian Open Tennis

Melbourne – 19th January to 1st February

The more I look at the men's tennis circuit, the more I fail to understand its draw. The same players win all the big events, and the big players are all so fucking dull and focused. Perhaps most significantly, the core concept of watching two blokes trying to hit a ball past one another is just so limited in terms of entertainment. I always imagine some highly intelligent life form looking down at us and thinking, 'So that's how these dicks amuse themselves. Such mindless cunts these humans...' albeit probably in some highly evolved language or other.

The huge army of avid tennis fans would obviously disagree with my views. They would probably wank on about the multitude of shots, the thrilling speed of the game, and the amazing athleticism required by the top protagonists. They might even argue that Novak Djokovic is actually very humorous because he sometimes pulls funny faces on court, Federer a master of understated wit, Nadal the king of spontaneity as he hits the ball between his legs every now and again, and then insist that Andy Murray can't be a robot because he drinks water in between games rather than petrol and engine oil. I'm still not convinced, but the collective global TV audience of more than 300 million who tune into the Aussie Open annually must find something of worth here.

No prizes for guessing who the fancied runners are for this year's bash, although you can probably throw emerging Swiss star Stanislas Wawrinka and recent conqueror of robo-Murray Kei Nishikori in as tricky obstacles for the big guns. Incidentally, I've trawled the Internet for dirt and these two don't seem interesting either, so they'll fit in perfectly at the top of the tennis rankings.

> "They insist that Andy Murray can't be a robot because he drinks water in between games rather than petrol and ending oil..."

The women do mix it up a bit. Or at least, Serena Williams gets injured fairly frequently which allows other players to win the Grand Slams. Last year's Aussie Champ, China's Li Na, spices things up by returning from retirement to compete, and there's a whole host of other talented females who could lift the trophy, headed up by a fully fit Serena and Maria Sharapova, who is always fit even when injured. Yes, women's tennis is definitely more entertaining to watch, but only because it's a bit more unpredictable of course... ♣

The Walking Dead Season Two

(Telltale Games, multi-format from £19.49)

While the TV show adaptation of Robert Kirkman's comic books is all over the place – the latest season is good, however – Telltale Games' version of that world was excellent from the word go. You won't encounter the main characters from the TV show, but in Clementine, a young parentless girl, they've created someone it's easy to care about. In Season One you looked after her, but here (as in the DLC *400 Days*) you are her, and her situation hasn't got any easier.

Telltale are adamant that the decisions you made in Season One and in *400 Days* affect what happens in this Season, but that's to overstate the matter. Yes, there's a small impact, but certainly nothing that truly changes how the game plays out. You'll be more worried about the occasional lulls in activity, the long stretches of cut scenes and dialogue where you don't actually get to do very much, bar the odd QTE, as they're known in the biz. Interaction is at a premium for some time, before you're thrown into a sudden panic. Perhaps they're trying to replicate real life (in a zombie apocalpyse).

The odd episode here sags, and while it rallies at the end, setting up Season Three brilliantly, it's hard to escape the feeling that this isn't quite up to the same standard as Season One. It's more of the same, only less so.

★★★

Spirited Away

(Studiocanal, Blu-ray & DVD £17.99)

As Hayao Miyazaki retires, one of his handful of genuine masterpieces (along with *My Neighbour Totoro*, undoubtedly) comes to Blu-ray for the first time. This fantastical tale about Chihiro's adventures in a bathhouse for spirits run by the witch Yubaba is still a wonder to behold.

The hi-def transfer glows, lending a new sheen to the hand-painted animation, while the wonderful characters and creations – No Face, Kamaji, the Sootballs – come to life all over again. Extras are pretty scant for a premium priced re-release, but if you want to see a landmark in animated film history in its best possible light, you'd better avail yourself of this pronto.

★★★★★

Dawn of the Planet of the Apes

(20th Century Fox, DVD £9.99 Blu-ray £14.99)

The 2011 reboot of a franchise that was almost buried by Tim Burton's ham-fisted movie was a real treat. Rupert Wyatt delivered an origin story that made sense and had heart, building slowly to its dramatic crescendo. Matt Reeve's sequel starts some ten years later, after the simian virus has reduced humanity to mere pockets, the apes now ruling. But when Caesar and his extended family encouter a bunch of humans – some well-intentioned, some not – the results are explosive. The brilliant motion capture, CGI and set pieces aside, this remains a series with intelligence and heart, although Gary Oldman's human is perhaps too traditional a blockbuster baddie. We look forward to part three. ★★★★

How to Train Your Dragon 2

(20th Century Fox, DVD £9.99 Blu-ray £12.99)

Most animated sequels are more of the same, but *HTTYD2* does like *Toy Story 2* and improves on the original. Okay, we miss the charm of Hiccup training Toothless, but that's replaced with better setpieces and a genuine emotional sting. There won't be a dry eye in the house.

★★★★

X-Men: Days of Future Past

(20th Century Fox, DVD £10 Blu-ray £14.99)

The X-Men franchise is back in the safe hands of Bryan Singer, and this might just be a series highpoint. It's all very timey-wimey, with Wolverine sent back to persuade a reluctant Charles Xavier to prevent a future tragedy. The ensemble cast are all on top form. ★★★★

Guardians of the Galaxy

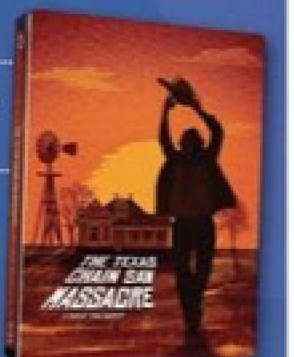
(Walt Disney, DVD £9.99 Blu-ray 3D £17.61)

A genuine gamble for Disney, an adaptation of a comic almost laughable in its obscurity except to Marvel fanboys. The gamble paid off. Chris Pratt excels as Starman, and his rag-tag gang of raccoons, aliens and sentient trees add up to a film that delivers on action and humour. It's the comedy runt in the Marvel little, and all the better for it. ★★★★

Classic Corner

The Texas Chain Saw Massacre

(Second Sight, Blu-ray £19.65)

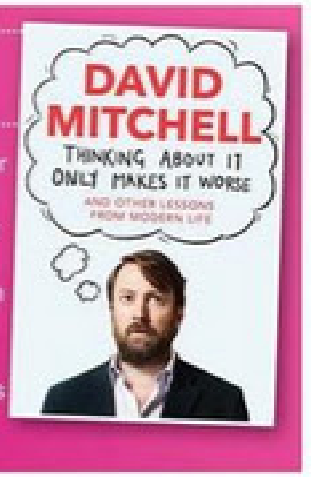


Restored for its 40th anniversary and given the full two-disc steelbook treatment, Tobe Hooper's horror classic has never looked better. A much misunderstood film – there's little gore or viscera here – it seems to age brilliantly as it delivers shock, fear and a smattering of humour without relying on camp. It's all about the twitchy, fetid atmosphere of the setting, best captured in the brilliant dinner scene, where the influence of the Ed Gein murders is most apparent. And in Leatherface, Hooper created a timeless, faceless, remorseless monster.

book club

Thinking about it...

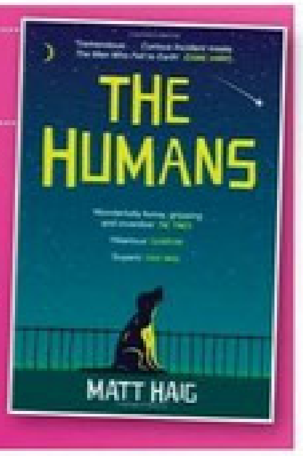
David Mitchell (Guardian Faber £18.99)



This collection of columns from *The Observer* newspaper proves Mitchell to be one of the wittiest and most astute columnists currently writing. He eschews soapbox opinions and pleas to our basest emotions and goes down a much more cerebral path, leavened with the exasperated humour he's employed on *Peep Show* and countless panel-shows. He's the anti-Littlejohn.

The Humans

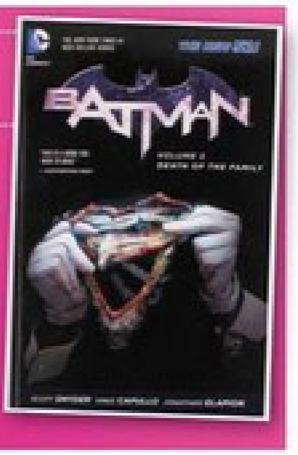
Matt Haig (Canongate, £7.99)



An alien is sent to earth to assume the place of mathematician Andrew Martin, and to kill his family. He doesn't. Instead he gets a crash course in humanity (it's finer aspects, naturally) and what it is to love a dog. Haig's book is a warm, witty page turner that will leave you with a glow inside. A snuggle down under the blankets kind of book, which explains why he's an awards favourite.

Batman Vol. 3: Death of the Family

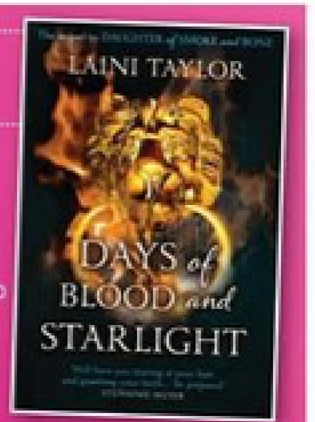
Scott Snyder, Greg Capullo (DC Comics, £12.99)



Following Batman's encounter with the Court of Owls, his old rival The Joker emerges from the darkness for one of the darkest of Dark Knight stories. Snyder and Capullo put not just Batman in jeopardy, but his extended famiy too, and there are genuine squeamish moments here, and a more devilish Joker than any ever committed to film. A highpoint in Batman history.

Days of Blood & Starlight

Laini Taylor (Hodder, £7.99)



The sequel to *Daughter of Smoke and Bone* is pretty much more of the same – fantasy for *Twilight* fans (i.e women). That's not to say it doesn't have its genre pleasures, but in the same way that certain books appeal to men with warcraft figurines on their shelves, this appeals to women with dragons and dreamcatchers in their house. We're not judging, we're just saying... ♣

Apple iPhone 6

www.apple.com

You can almost set your watch by it. A new iPhone drops, people with little sense of reality queue up for them all night, as if they're going to sell out. Then there's a backlash. Well, there are issues with the iPhone 6 – the screen isn't high definition, it doesn't come in 32GB, it's bloody expensive – but it still does the key things so much better than the Android and Windows opposition, although they're generally more affordable. Worth getting rid of your 5? Maybe, but don't go joining any queues.

Pros: Camera and battery are better.

Cons: Pricey, no great leap forward.

Amazon Fire TV

www.amazon.co.uk

We're reluctant to recommend too much Amazon gear, what with their creative approach to taxes, and their constantly jarring wish to pay authors and publishers as little as possible. And we're also feeling funny about how much the web is increasingly boiling down to a few monolithic companies. If you feel comfortable with all that, then have at this – it's easy to use, makes your TV smart if it isn't already and works well with Amazon Prime. Our TV is not thick, however, so happily we don't need it.

Pros: Ease of use, Netflix and Amazon Prime.

Cons: It's Amazon, only does what any decent TV does.

Sony MDR-HW700DS

We've never been wealthy enough to be able to spend money on headphones that are only for home use, but if we were to win the lottery, we'd definitely consider these. These come with a processing box which takes signals from your telly, your PS4 and so on – and sends 9.1 sound to your headphones.

The sound is brilliant, the effects great, although if you were to spend £450 on non-wireless headphones, there's better quality out there. They're massive as well, so you might need to buy a bigger head while you're at it.

Pros: 9.1 sound is lively, easy to set up.

Cons: Limited use. ♣

There's a handheld camera obsession here that occasionally gets in the way of the action. We know you've got cameras, otherwise we'd be watching a blank screen. That said, it's hard to be distracted when the gorgeous Selena Rose in on top of a cock, and even more so when Chanel Preston is getting fucked. Some girls are sexy, some beautiful, and some just live to be fucked – Chanel is definitely the latter. ★★★

Best of British

(Private)

Private have always employed British girls in their movies, but what a pleasure it is having a whole DVD dedicated to the current cream of these isles. Ava Dalush always looks her best with a cock buried inside her. Sam Bentley is simply a world class fuck, while former Reader's Girlfriend Emma never delivers a duff scene. Add in Jasmine Jae and Georgie Lyall, and this is one fun evening by yourself. ★★★★

Bench impressed...

We often notice plaques on park benches when we're walking the dog. They're usually remembering someone who used to love the park, or who donated the bench, or occasionally a charity. Well, we're keeping this bench. We're going to put a plaque on it saying, 'Here sat Brea, and she didn't have any knickers on'.

We reckon it'll prove to be a pretty popular place to sit. In the spirit of full disclosure, however, we should tell you that we have actually sniffed it. Well, we're red-blooded males. We had to! ♣

THE

GLOBE THEATRE

Shailene Woodley

All the world's a stage, and sometimes famous ladies get their norks out on it...

Best known in the UK for her roles as the troubled but sweet 20-year-old daughter in *The Descendants*, Shailene has recently got some headlining gigs in the likes of *Divergent* and *The Fault in Our Stars*. We wouldn't go out of our way to see either, but then we're lazy. We would, however, take a detour to see *White Bird in a Blizzard*, where she takes a refreshingly naughty attitude to a nude scene or two, letting it all hang out, and what a lovely bunch of stuff 'it' is. Ms. Woodley definitely gave us a woody. ♣

PARK LIFE!

Last week, I did something really rather rude, that I feel is worthy of mention in your pages. I was lying in the park on another hot, sunny morning. It was a weekday, so away from the kids play area, it was empty, and I was having a great time relaxing in the sun, reading my book.

The book was a pretty horny read; the main protagonist, Nancy, was a horny little bitch who got herself into all kinds of sexual trysts on her travels. In the particular chapter I was reading, she had got the horn while on a deserted train, and was playing with herself, her hand busy in her pants, quickly trying to bring herself to orgasm, whilst simultaneously keeping an eye on the door for the ticket inspector. All the sordid details of her fantasies were listed as her fingers fucked her hole, including what the ticket inspector would do to her if he found her, and I couldn't help but get pretty worked up about the whole affair.

I was wearing a strapless summer dress and panties, no bra, and, without thinking, I began to caress my breasts through the flimsy material, holding the book, still eagerly reading in one hand, and fondling myself with the other. A noise in the background made me stop hastily and check around, but it was just a squirrel. I scoured all around for signs of human life, found none, and turned my attention back to the book and my thrilling nipples.

The ticket inspector had stumbled across my heroine, and had sat down opposite her, and instructed her to keep on going while he watched. As Nancy thrust her fingers in and out of her sopping cunt, I rubbed my nipples over my dress, feeling the prominent nubs through the material and tracing small circles around them, making them swell even further. I began plucking at my nips, making the electric sensation surge into the hard little buttons, and sending a rush of pleasure jolting down to my pussy.

I put down the book, checked around me once more, and with my free hand, dove under my dress and stroked my pussy over my knickers. I could feel the swollen folds of my labia, engorged with blood from my excitement, and pulled the crotch of my knickers to one side so I could touch them properly. My finger found my shaven pussy greasy with juices, and I traced up and down my slit with my finger as I rubbed my nipples, making the hairs on the back of my neck stand to attention.

Spreading my legs slightly further, I played a fingertip around the sensitive flesh of my cunt entrance, making it tremble, before I slowly, deliberately, started to push my finger inside. I felt the resistance of the sticky flesh and pushed through, breaking into the warm liquid depths of my cunt and sliding up, further and further, until I was knuckle-deep in my own pulsing pussy. I ground my knuckles against my sex, wriggling my finger inside myself as I imagined Nancy doing the same for the ticket inspector, who by now, in my head, had taken his cock out of his pants and started to stroke it.

Withdrawing my digit from my hole, I moved the syrupy finger up to my clit, which was poking out from underneath its hood with excitement. I stroked delicately up and down it, making it pout out further, and sending thrills all the way up my spine, before settling into a circular motion, rubbing round and round in tiny circles, slippery fingers sliding around my button as I wriggled around in the grass, pinching my nipples and arching my back.

The circling of my clit was bringing my pleasure to a crescendo, I could feel a whiplash of spasming joy building in my frame, as I imagined Nancy pistoning her fingers in and out of herself, so I did the same. Inches away from cumming, I abruptly stopped circling my clit and rammed two fingers up my tight hole, fucking myself with them hard, in to the knuckle and out again. I jabbed them up myself firmly so my knuckles beat against my cunt as my pussy clamped down on my fingers, spasming around them

> "Spreading my legs I played a fingertip around the sensitive flesh of my cunt entrance"

wildly, the hot tube of muscle convulsing its pleasure on my digits as my hips bucked and writhed in time with my spasms.

Spent, I pulled my sticky hands from my panties and lay, breathing heavily on the grass for a while. I soon recovered, but when I opened my eyes, and lent across to pick up my book again, I noticed a thick, pearly white streak on the grass next to me – the juice of my very own ticket inspector! I called out, and hunted around in the trees next to me, but to no avail. I'm going to go back to the same place, same time, next week, but this time, I will keep my eyes open, and see what goodies I can snare!
Samantha, Trent Park.

SNAP HAPPY!

Hey, sweetie. You know what my fantasy is for today? You're the photographer – I'm the model. You see, this photographer right here, he's seen it all before. I want somebody new to the whole photography thing, who still gets a thrill from making a babe strike a rude pose.

We both arrive at the pool ready for the shoot. You've just started working as a photographer, and you're cute, definitely cute. After a couple of full body shots, you ask me to take off my bikini top. I do it slowly, pulling each triangle of material aside so my tits are still supported by the top, jutting out. I look right in the camera as I'm doing this, knowing that in doing so, I'm looking you straight in the eye.

With my little swimming skirt still wrapped around me, you say it's time to oil me up for those shiny shots. Taking the bottle, I pour a puddle of oil into my hand. I raise my hand above my left breast and allow a few drops of oil to fall. Two drip around the outsides, outlining my fleshy orb, and the third plops straight onto my nipple, causing it to harden immediately in the breeze. I smile at you, before greasing both palms and sliding them over my breasts, leaving oily smears that glisten in the sun as I coat the rest of my body.

"Arse shot!" you call, and I turn around and bend over. Hooking a thumb under the gusset of my pants, my knuckle brushing against my clit as I do so, I pull my bikini bottoms to one side of my labia, exposing a perfectly neat little cunt, pink and tender. Where my pants are pulled to one side, they're putting pressure on my pussy lips, making them redden and swell. I run my thumb upwards, pulling the material out of my crack, and expose my bumhole to you. Neat, and the same shade of pink as my pussy, I know it's inviting.

"You need more oil," you cry, and I pick up the bottle with glee, sitting down on the blue beach chair to do it properly. Taking the bottle, I dribble oil directly on my clit, squealing a little from the coolness. I wipe the oil all over my plump mound, running my fingers over my smooth, shaven flesh and down over my pussy lips before cupping the whole of my sex in my hand for a moment and squeezing.

I turn over and massage the oil into my buttcheeks, kneading my taut flesh with my hands. I pour more oil into the scoop at the base of my spine then wriggle my hips so it trickles down my cleft.

I run my finger round my cleft from tailbone to pussy, exerting more pressure as I pass my arsehole so the tip of one manicured finger dips in ever so slightly. Can't you tell that I'm doing this for you, not the camera?

I turn back round, legs splayed wide on the chair, and run two slippery fingers up either side of my fat pussy lips. I delicately stroke my inner labia for a while before you call for a pink shot, and I place two fingers firmly on my inner lips and pull them open. I want you to see into me, to see right up me to the milky goo inside that is my real excitement.

> **"I work my finger in, further, one inch at a time, until my entire digit is stuffed in my hole"**

I can feel the heat radiating out of my cunt and I simply have to touch it, gently probing the soft flesh at my entrance with my middle finger. Pushing against the greasy resistance of my walls, I work my finger in further, one inch at a time, until my entire digit is stuffed in my hole. My hand is splayed out across the rest of my pussy, my palm resting on my clit, and I grind against it as I start to fuck myself with my fingers.

My juices are sticky beneath my hand and my clit feels swollen as I pump my finger, my walls gripping me tightly as I force my digit in and out. I'm sweaty as well as oily now, and my breathing's ragged. You're stroking yourself underneath your trousers, which turns me on even more, so soon I'm thumping in and out of my hole; a squelching noise is made each time my fingers are all the way in and my hand hits my sex.

> **"You're slipping deeper down my throat, gently pushing forward along with my sucking you in"**

I pull my hand out of my pussy for a moment, feeling the resistance as my pussy unwillingly releases its charge, and watch as little trickles and strings of girl goo fall from my hands. Before too much falls off, I bring my hand above my face, open my mouth wide and let the trails of moistness fall in. I taste sweet and creamy, and soon I have my whole finger in my mouth, sucking all the goo off it, before slotting it back in my pussy.

You're beside me now, cock at my face level as I'm sitting down. One hand is holding your cock at the base. It's long and slender, with a slight bend in it, and a fat mushroom helmet. You place a hand on the back of my head and gently guide me towards your cock.

I lick all around the tip, tasting the musky tang of your arousal, while still fondling myself with my fingers. Liberally coating your helmet with spit so it's falling off in little lines, I purse my lips together, making a tight little hole to fuck. Exquisitely slowly, I slide my lips over your purple crown, keeping them as tight as possible. My lips are soft, slick and warm, and as they slip over your helmet you shudder with pleasure.

Your helmet's so fat in my mouth, by the time I finally slip over the rim, you feel huge. I start to smother you with licks; broad strokes to cover as much surface area as possible, all the while still pistoning my fingers in and out of myself. Giving head is making me even hotter, and I start to suck the whole of your length into my mouth. The vacuum created increases the rush of blood to your organ, and I'm slavering all around it with my tongue in spiral motions. All the while you're slipping deeper and deeper down my throat, gently pushing forward along with my sucking you in.

You hit the tonsils at the back of my throat and know that I'm deepthroating you. My pussy is a throbbing mess of desire and my eyes are watering as I'm sucking your stiff prick all the way down my throat. You start to pull in and out of my gullet, gently fucking into the soft membranes in my throat as I lap at the underside of your shaft, teasing your frenum with my tongue.

My clit is so hot and swollen now, it feels huge rubbing against my palm as I jerk up into my hand. You're keeping the same time as me, jabbing your meat into my mouth. I can smell my own arousal and it just makes me hornier, so I wriggle another finger into my snatch. I'm making schlurping noises when your thrusting breaks my tight sucking seal. Your cock is totally engorged, every vein protruding and throbbing in my mouth when you look down at my hand working my pussy, and decide you want in.

Hoisting me up further on the blue chair, you kneel in front of me, cock standing straight up. You pull my hand out of pussy, suck my fingers, then, placing both hands above my head on the chair, you start to tease the entrance to my cunt with your cock. Looking me deep in the eye, you trace round and round my inner lips with your cock, teasing me, making my labia pout at you, begging you to plunge inside.

Your circles get smaller and smaller until you're zeroed right over my hole. Tightening your grip on my wrists with the one hand, you lunge forward. I can feel your dick butting up against my cunt walls, the size difference apparent, until you push harder and I open up, swallowing you whole as you enter me entirely with one strong thrust.

It's a sweet feeling of being filled, stuffed full with hard cock. You launch immediately into a hard fuck, slamming all the way inside me so I can feel your crotch nestling against my pussy lips. With every lunge of your cock I can feel your balls slapping against my arsehole, gently stimulating my perineum and tightening my pussy. My slick walls hold you fast, the bumps and grooves of my cunt giving you extra stimulation.

As you ram into me, all the way in, that mushroom helmet stretching me wide, I can feel my orgasm starting to build. I clench you tighter with my muscles, bringing my orgasm closer, each spasm gripping that helmet as it pumps in and out, squeezing the cum out of you. I pulse faster, and faster, it's nearly here, I can feel it – then blam! My back arches and I thrust my tits up towards you as I buck with orgasm, my pussy gripping you so tight as I'm grunting, thrusting my pelvis up to meet yours as I strain against your hand holding my wrists down. My pulsing pussy finally squeezes your load out of you. I can feel your hot jism spray inside me, splattering my walls with thick spurts of cum as your back stiffens, your butt tightens and you thrust deep inside me one last time.

That looked good, baby. Maybe we should go into the movies…

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

FRUITY FUN!

My girlfriend Natalie adores being botted. Anal play is a must for her. So much so that she often refuses to have any other kind of penetrative sex. This suits me fine, as I am partial to a bit of arse-play. In fact I am still enjoying the novelty of the warm welcome my prick always receives at her rear entrance. Most of my previous girlfriends have been prudish and unreasonable about botting, proclaiming it to be a deviant practice.

As it is the thing that excites her most, I am always more than happy to indulge her. It may seem to others that Natalie's preference for anal would lead to a repetitive and somewhat boring sex life. However, I have risen to the challenge, and with a judicious combination of imagination and lusty physical prowess have perfected many ingenious ways to enhance our pleasure.

Although she loves to feel my full seven inches up her arsehole, she also enjoys giving and receiving oral sex. Incorporating this aspect of lovemaking into our nightly arse-fucking sessions certainly livens things up. Nati is a fabulous cocksucker and exults in giving head. On the occasions when she allows me to splash onto her face or down the back of her throat, I have to first insert a vibrating butt-plug into her rectum.

Lately we have incorporated vegetables and other food stuffs into our toy box. I have pared and formed many different shapes and sizes of dildo and butt-plug out of carrots, cucumbers and so forth for Nati's anal pleasure. This said, we have been extra-careful about which items we push inside her since hearing the salutary tale about the guy admitted to hospital with an apple stuck up his rectum!

The Saturday before last, Nati wanted to experiment with some home-made anal-beads. She suggested that we thread some string through several grapes and insert them into her bumhole. It was the first time that we used fruit for this purpose, having previously used only the large plastic anal-beads that we bought from a sex shop.

In the end Nati strung 10 grapes together saying rather defiantly that she wanted to feel her hole really stretched to the limit. I was not sure if I could squeeze them all inside her, but I was game to try. The plan was that I would lube her up with some KY jelly, then give her a good rogering up the back passage to loosen her. My spunk would serve as extra lubrication and so help to ease the grapes inside her.

Nati got into position on the bed – kneeling with her legs spread wide, her face buried in a heap of pillows which she gripped with both hands. She dipped the small of her back, thrusting out her beautifully rounded buttocks and exposing her shaven genitalia and anus. I lovingly ran my hand down her back, caressing her soft skin, and smiling as I felt her body quiver in anticipation.

Squeezing some lube out of the tube onto her proffered arsehole, I gently circled her pink ring with my finger, working the viscous gel into her puckered rosebud until it gave way and my finger slid in gently. She moaned softly, so reaching between her legs I began to frig her pussy as I fingered her hole.

I could feel Nati's fingers pushing in and out of her pussy through the thin membrane dividing her loveholes. By now she was so worked up that her breath was coming in sharp little gasps and she frigged herself to orgasm as my finger skewered her hole. Feeling intuitively that this was the right time, I withdrew my finger and nudged my cock against her lubricated ring. I wasn't wrong.

"Arse-fuck me, Michael," she begged; and I did. Gripping her hips, I prodded her lubed ring with my rock-hard penis. Her sphincter gave way with a slight but audible pop and I plunged my cock inside her. Her strong anal muscles gripped the base of my shaft and the warm satin-like interior of her rectum enveloped the stem and head.

It felt fantastic, and I pumped her hole vigorously, holding onto her bucking hips as she plunged and pitched under me. The seed was welling up in my balls as I felt her muscles contract, and she screamed out passionately as she came. Unable to hold back any longer, I blasted my hot load deep inside her, enjoying the tight restrictive feeling of her strong rectal muscles as they gripped my manhood.

I had just withdrawn my flaccid cock when Nati handed me the fruity anal-beads. I coated the first grape with some semen that was slowly oozing from Nati's ring. After the fucking her sphincter had just had, it stretched easily, and I watched with satisfaction as the small fruit disappeared inside her. The rest went in easily enough and the short piece of string that dangled from her bumhole was all that remained outside.

> "Anal play is a must for Natalie. So much so that she often refuses any other kind of penetrative sex"

Nati turned around and lay with her upper body propped up by some pillows, her knees bent and her feet wide apart. I watched as she frigged herself furiously while I held the string taut, waiting for the optimum moment to pull the beads out. Her tits jiggled and her pussy contracted and convulsed as she plunged her fingers in and out of her cunt. I heard her catch her breath sharply as I pulled on the string. Her anus bulged slightly as her sphincter stretched and the first grape popped out. Nati came, her pussy contracting so powerfully that she was squirting pussy juice as I pulled each grape individually from her ring.

Michael, County Cork.

GENERATION GAMES!

My boyfriend, Mike, is a rugby fanatic, which is probably the reason he caught my eye. I went all gooey when he flexed all those wonderful muscles as he offered to buy me a drink. However, what attracted me in the first place soon caused problems as he spent what little time he wasn't playing or practicing his rugby skills in the gym strengthening his core. He was too tired to perform his duties when it came to his bedroom exercises with me, which was why I started doing something that I never thought I'd do – cheating. The cheating surprised me in every way but it'll surprise Mike more if he ever finds out as the man I'm cheating on him with is his father.

I was working for a temping agency and it was a pleasant surprise when Mike's dad arranged for me to work in his office. After three months, Paul was so pleased with my performance that he paid the recruiting fee and took me onto his staff. We worked well together and got on like a house on fire – perhaps too well as Paul filed for divorce.

"It's not about you," Paul said, when I asked the obvious question. "But the thing is, I shouldn't be thinking about you the way I'm thinking about you if I was truly happy in my marriage."

"Why? How are you thinking about me?"

"I can't answer that," he said. "It wouldn't be fair on you or Mike." Things went very weird as Paul's comment was something that I became increasingly obsessed about, particularly as my sex life with Mike dried up entirely as he prepared for the new rugby season. As I lay in bed one night, I realised that my boyfriend hadn't made me climax in over a month. I would hardly consider myself to be a slut for wanting satisfying sex more than once a month but that was the way Mike made me feel when I confronted him about it.

"Are you OK?" Paul asked at work the next day.

"Mike and I had an argument."

"I know," Paul admitted. "He phoned me last night and asked for some advice."

"What did you say?"

"Honestly?"

"I told him that if I was in his shoes I'd be fucking you morning, noon and night." I didn't know what to say to that, so kept quiet. "Sorry if I offended you. You did ask," Paul said, sounding worried as he apologised.

"I'm not offended. It's just that you're my boss and kind-of my father-in-law. I'm not sure what to say."

"Oh, God. You're not going to marry him are you?"

"Would that be so bad?"

"Sorry, I didn't mean it like that. For you, I meant. It'd be a waste." Paul looked at me sternly. "You're too good for him."

"Thanks," I said.

"He loves his rugby more than you and he always will." I already knew that truth but it still hurt to hear someone else say the words.

> **By the time he came to stick his cock inside my bum I'd surrendered to the idea of letting him**

Paul pulled me into a hug as I started crying. "If it makes you feel any better, I'm not getting any either." The intimacy of that conversation set our affair in motion, an affair which I didn't want to happen but equally an affair which I didn't seem able to stop. It just made sense somehow. We both wanted sex and knew that neither of us was getting it.

"What do you think?" Paul asked, after he'd kissed me for the first time.

"I think I want to fuck you." Paul pressed his body against mine and it was obvious that he wanted to fuck me too.

"Do you think you'd ever let me...?"

"Yes," I answered, interrupting the question he was going to ask with the one I wanted to answer. "I've been thinking about it for weeks." There was no point denying it. As Paul's hard cock wedged into my belly, it started my imagination working. What would it feel like to let Paul fuck me? Not the physical feelings of his cock pushing into my body, as I knew how desperately I wanted to feel that, but rather the emotional charge of cheating. A rational thought motivated me to do it. Paul was the one person I could trust to cheat. He was the only person who had more to lose than me. If we were discovered, I'd lose a bad boyfriend; Paul was risking losing his son, having already lost his wife. "Why don't you show me what I've been thinking about?" I asked, squeezing the hungry lump in the front of his trousers.

"Why don't you show me what I've been dreaming about?" Paul retorted. I flushed hotly as I decided to show Paul my body.

"OK," I said, unzipping my skirt and allowing it to slide down my legs to reveal my girly panties. I'd always preferred comfortable boy-shorts to thongs and it was clear that Paul appreciated the choice.

"You look pretty in pink," he said.

"I'm pink underneath as well," I said, feeling the excitement rise as I revealed that my pussy was completely smooth, with only the neat groove of my slit disturbing the blank canvas of skin. Paul groaned happily and movement made me look down. He was stroking his cock, tugging the foreskin back and forth over the crown.

"That's pretty impressive," I admitted.

"So, are you going to let me fuck you?"

"Yes," I replied, gasping with anticipation. I was more than ready and Paul's cock was bouncing with eagerness. I lifted my legs and opened them, showing him absolutely everything, making me completely vulnerable to him.

"You are an eager little thing," Paul said, playing the tip of his cock over my slippery pussy. "I'm thinking that you're a really naughty girl. Say it."

"I'm a really naughty girl," I parroted.

"Well, really naughty girls take it up the arse." I felt uneasy as Paul slipped his cock down so that the head was touching my anus.

"Is that what you want from me?" I asked. "Anal sex?"

"Yes," Paul replied. I managed a smile as I tried to get my head around the situation. It seemed cruel that I'd finally got a hard cock between my legs and its owner wanted to stick it up my arse, rather than fuck me normally. "It's what naughty girls like you deserve." It made sense to me, although the thought made me feel slightly sick.

"OK," I said, not really knowing what I was getting myself into. Was Paul just going to try and stick his cock straight into my bottom? Fortunately, he was much more considerate than that. He spent an absolute age massaging my entire bottom with oils and by the time he came to stick his cock inside my bum, I had absolutely surrendered to the fantasy of letting him fuck my arse.

"Does it hurt?" Paul asked as the fattest part of his cock penetrated my bum. I nodded once, although I was also smiling. "Oh dear," he sighed, as he forced another couple of inches through my reluctant hole. "I've always wanted to have sex with you, Pippa, really dirty sex." It was the first time Paul had called me anything other than Philippa and the intimacy of it made me giggle as he pushed his cock deep into my bottom-hole.

"Nice dirty sex?" I asked.

"Mmmm. Very nice. I love your bottom," he said.

"I might be able to say the same if you showed me yours."

"Not likely," he said, laughing. He grunted as he fully buried his cock for the first time, making me gasp as I savoured a moment of delicious abandonment. "My dirty little angel," Paul said, looking down as I shamelessly rubbed my pussy, concentrating more and more of my efforts on my clitoris as my pleasure built. "Are you going to cum for me?" Paul whispered.

"Yes," I sighed.

"Then do it. Let me feel it. Don't say a thing; just masturbate for me while I fuck your naughty little bottom." Mike never talked during sex and I was surprised that his father was so good at it. "I want to feel your orgasm before I spunk up your bum." I gasped as the filthy words fired my imagination and overcame the last of my sense of decency. My mouth came open as my fingers took me past the point of no return and a pained cry filled the room as my back arched.

"It feels so good with your cock in my arse," I mumbled, as I masturbated through the first orgasm and tried to catch the waves of another.

"It'll feel even better with my spunk up there," Paul replied. It felt amazing as I frantically masturbated while Paul used urgent, short strokes to reach his own orgasm. Pleasure screwed-up his face as he came and I took myself over the edge into my second orgasm, knowing that his cock was spunking up my back passage. The sexual dissatisfaction was blown away in that instant as was a months' worth of frustration.

"I needed that," I said, and what's more, I knew that I'd be needing it again.

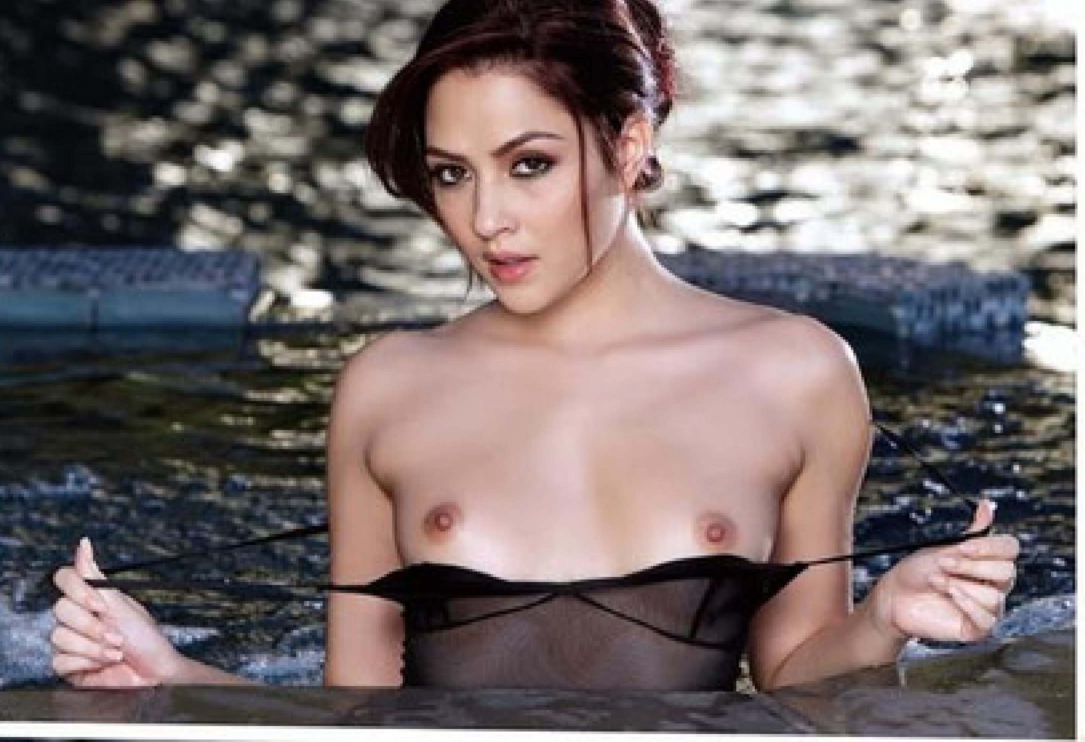
CASSIE ♣

The wet look...

100000+ DIGITAL MAGAZINES
WWW.PDFMAGAZINES.ORG



Cassie was a school and college swim champ, so it's no surprise that she's got a trim body and an affinity for the wet stuff. But she doesn't like water, she frickin' loves it!

"I spent so much time in it at college that, of course, things happened with other members of my swim team. So now I'm addicted to sex in the pool. It doesn't even have to be sex – just a finger under the water, snaking round the fabric of my swimsuit – that drives me wild."

But how do we tell if you're wet or not?

"Good question. Just assume that I am – I'm horny pretty much every minute of the day as it is!" ♣

CASSIE

What our well-placed moles are telling us this month...

DOWN THE WIRE

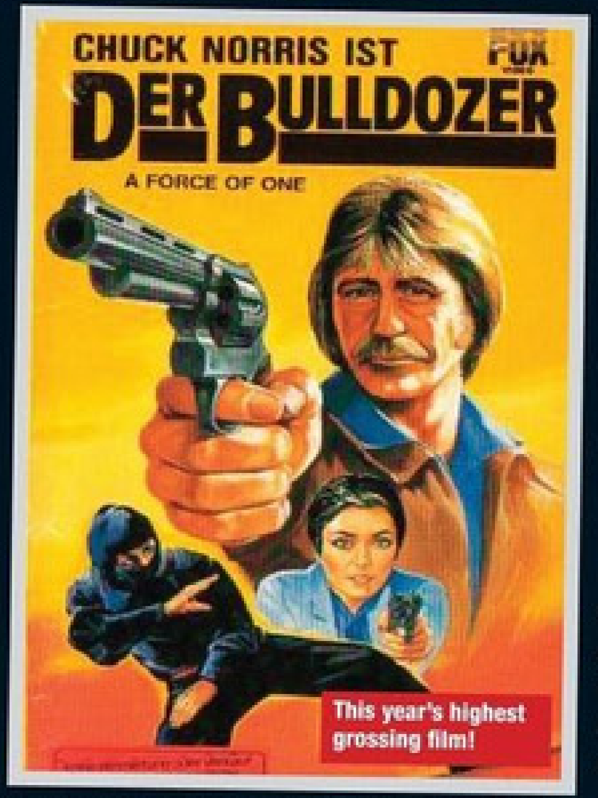
Fixadent!

You know what, we would...

Hold on to your dentures, it's going to be a bumpy night as one poor bartender recently found out, not that she could shout about it after. A Massachusetts female was charged with battery and assault with a dangerous weapon after being refused service at an American Legion. Caterina Froio-Chaput, of Oxford, then proceeded to yank a female bartender's false teeth out before throwing a beer bottle at her chest. Once arrested the police discovered the nashers in Chaput's pocket, her convenient explanation being that they had been planted there. Lying through her teeth...

Totally Wrecked!

After an intoxicating night out, acceptable ways of getting home could be on foot, cab, bus, catapult even, but a bulldozer is a whole new ball game. Whilst under the influence of alcohol, Christopher Russell stole a bulldozer in order to get a ride home, leaving a path of destruction in his wake. The police didn't have a difficult job tracking him down; they just followed the flattened signs, benches, trees and a drinking fountain. Russell was charged with drink driving, criminal mischief, leaving the scene of an accident and theft of a bulldozer. At least he got an anecdote out of it.



Naughty List!

Where's my fackin' sherry?

Have you ever wondered what Santa Claus gets up to the other 364 days of the year? Well, a Post Office in Melbourne, Australia found out when a Kris Kringle-clad gentleman popped in one Saturday with an empty sack and proceeded to stuff an undisclosed amount of cash into it. St. Nick left the sleigh at home and instead opted for a cream jeep with stolen plates as a getaway vehicle. Rudolph will be getting more than a limp carrot this year by the looks of things.

Reptile Retribution!

Sometimes we're guilty of treating our pets better then our partners, but they have often got a degree of cuteness on their side, to be fair. Marie Seymore, 53, of Lake Park, Florida., was arrested for aggravated battery with a deadly weapon for allegedly stabbing her boyfriend with a paring knife after he threatened her pet turtle (clearly not of the ninja variety). Seymour has been released on a Palm Beach County Jail on a $3000 bond. That's a lot to shell out... ♣
